## *Campus Crime Alert 2012-10-13: Forcible Fondling*

### WHAT IS THIS NOTICE?

Campus Crime Alerts are released by the University of Oregon Police Department in compliance with federal law, when certain crimes are reported on or near campus property. These timely warnings provide information about campus safety situations, and allow campus community members to take precautions for personal safety. Alert titles reflect the reported crime as per the federal Clery Act (which uses the Uniform Crime Reporting categories as opposed to Oregon Revised Statutes) to match with statistics reported in the Annual Campus Security and Fire Safety Report.

*Please note this message may contain information that some may find upsetting.*

The University of Oregon Police Department has received a report from a UO student that on Saturday, October 6 at about 7:30 p.m., she was assaulted and forcibly fondled in the west parking area at Autzen Stadium. No description of the suspect was available.

With the onset of fall, and then the change back to standard time on November 4, it's getting dark earlier. Certain perpetrators use decreased visibility with the darkness, as well as the anonymity of crowds at events, to target or offend others. Some perpetrators become bolder or more aggressive when intoxicated, and they may frequent events with a lot of drinking.

Anyone with information about this or similar incidents should call Eugene Police at 541-682-5111 or UOPD at 541-346-2919.

Updates regarding this incident, when and if available, will be posted on the UOPD website at [police.uoregon.edu](http://police.uoregon.edu).

### CAMPUS SAFETY TIPS FROM UOPD

- No action or inaction by a crime survivor makes that person responsible for his or her victimization. Perpetrators are responsible for crimes and their effects. The following suggestions may help reduce the possibility of experiencing a crime, or may improve opportunities to receive prompt assistance.
- It is a crime to intentionally touch someone against his or her will, regardless of the situation.
- Encourage friends to travel in pairs or with trusted companions, especially at night or in remote areas.
- Use UO Safe Ride (541-346-RIDE ext. 2), call a taxicab, or contact UOPD for an on-campus escort (541-346-2919).

- If you feel you or others are in danger, call 9-1-1.
