On Saturday, April 13 at about 4:30 a.m., residents of Tingle Hall in the Hamilton residence hall complex on the UO campus reported that an unknown man was trespassing on the third floor (a women's floor) invading the privacy of residents.

Witnesses described the man as white, 18-21 years old, about 5-foot-8, with a medium build and sandy blond hair. He was last seen wearing a short-sleeve, maroon, button-up shirt. He was reported to have looked into a shower area where a resident was showering, and to have entered a resident's room and removed the covers from her as she slept, waking her. The resident ordered the man to leave and he fled the hall. UOPD responded to the call and searched the hall and area, but was unable to locate the suspect.

This crime is unsolved and an investigation is ongoing. Anyone with information about this or similar incidents should call UOPD at 541-346-2919. Updates regarding this incident, when and if available, will be posted on the UOPD website at police.uoregon.edu.

CAMPUS SAFETY TIPS FROM UOPD

• No action or inaction by a crime survivor makes that person responsible for his or her victimization. Perpetrators are responsible for crimes and their effects. The following suggestions may help reduce the possibility of experiencing a crime, or may improve opportunities to receive prompt assistance.

• It is a crime to intentionally touch someone against his or her will, regardless of the situation.

• It is a crime to enter someone’s residence without permission, regardless of whether the door is locked.

• Communities are safest when members look out for each other: report suspicious activity or unauthorized strangers immediately.

• Report criminal activity (such as a break-in or intruder, robbery, or assault) immediately to 9-1-1, or for non-emergency situations on campus, to UODPS at 541-346-2919.

• Immediately report any malfunctioning doors or windows in your residence to the property managers or residence hall staff, and insist the problem be corrected as soon as possible.

• In residence halls or secured apartment complexes, do not let in strangers, do not allow strangers to enter behind you as a courtesy, and do not lend out keys.

• Only open the front door of a residence to someone you know or trust.
