Campus Crime Alert 2014-11-09

WHAT IS THIS NOTICE?

Campus Crime Alerts are released by the University of Oregon Police Department when certain crimes are reported on or near campus property, and in compliance with federal law. These timely warnings provide information about campus safety situations, and allow campus community members to take precautions for personal safety. All crimes should be reported as soon as possible to local law enforcement.

A University of Oregon student has reported that he was robbed and assaulted on Agate Street just south of 15th Avenue in the early morning Saturday, November 8.

The student said he was walking north on Agate Street with a group of five male friends just after midnight, when the group was approached by two unknown males. One demanded money and then punched two different students in the head; victims said he carried a folding knife in one hand. One victim gave him a wallet and the suspects left the area.

Victims described the primary suspect as a white male, about six feet tall, slim build, wearing jeans and a light colored shirt or jacket. Victims said he displayed tattoos on the stomach and chest area. They said he had large ear piercings, and his hair was cut close on the sides and longer on the top. No further suspect description was available.

This incident is unresolved and an investigation is ongoing. Anyone with information about this or similar incidents should call UOPD at 541-346-2919. Updates regarding this incident, when and if available, will be posted on the UOPD website at police.uoregon.edu.
