356 Death Investigations
As part of ongoing quality maintenance of manual content, this policy has been completely revised. All updates should be accepted to avoid mixing old and new content, which could result in conflicting or confusing policies. If any customization is needed, you may do so during the update process. Primarily we have clarity and best practice updates Essentially this policy had updates for some items but no changes to ORS or specific changes that require changes to policy Some discussion ensued regarding 'who' or 'when' death is called at the scene 2.4 Employment Related Death or Injuries. Deb adding reporting within eight (8) hours to SRS
1059 Employee Speech, Expression and Social Networking
This policy has been updated because legislative action impacts its content. 2023 OR SB 168, effective Jan. 1, 2024, amended law by limiting how public employees may participate in political activity. Added restrictions and removal of some pronouns Not a lot of change here
514 Impaired Driving
Change in definition – OR HB Some content removed that was found elsewhere Some pronouns removed This policy has been updated because legislative action impacts its content. 2023 OR HB 2316, effective Jan. 1, 2024, amended law by defining "intoxicants" as it relates to driving under the influence
600 Investigation and Prosecution
This policy has been updated because legislative action impacts its content. 2021 OR HB 2575 amended

law by formally integrating trauma-informed practices into law enforcement agency operations in Oregon. The bill requires the Oregon Department of Justice (DOJ) to create and offer a research-based model training program. It also authorizes DOJ to run a grant program to fund trauma-informed training programs for law enforcement agencies. Additionally, the bill requires the Department of Public Safety Standards and Training (DPSST) to develop best practices for law enforcement agencies to guide interactions with individuals who have experienced trauma. Lastly, the bill requires law enforcement agencies to adopt policies regarding interactions with individuals who have experienced trauma based upon the best practices identified by DPSST by Jan. 1, 2024. The legislature did not create or delegate the creation of model policies, impose a timeline for implementation of the policies, or authorize either DOJ or DPSST to enforce implementation. The bill has been codified as ORS 181A.445

1062 Line of Duty Deaths

This policy has been updated because legislative action impacts its content. The update should be accepted and implemented as soon as possible. 2022 US HR 6943, also known as the Public Safety Officer Support Act, amended law by extending death benefits under the Public Safety Officers' Benefits Program (PSOB) to certain public safety officers and the survivors of public safety officers who suffer from post-traumatic stress disorder or acute stress disorder following a stressful situation while on-duty. Work related actually go to SAIF (Deb Donning) - 1062.6.2 (h) "make arrangements for hospital, need to be directed to SAIF"
