POLICIES FOR REVIEW June 18, 2019:

First Amendment Assemblies - 465

General Counsel Member, Kevin Reed helped provide knowledge and information of campus policies in relation to this policy. This policy was set up more for a city than for a campus.

Suggestions for updating by the workgroup:

It is worth noting and recognizing in the policy that mutual aid and external resources such as IMT are other entities who will or may be involved.

The use of the word "Dispatch" needs to be defined in the current state for example "Security Center".

Remove the use of "CERC" from the whole policy.

Adult Abuse - 327

Minor word and formatting changes made.

This policy was complete with best practices – UOPD did not change anything.

We do not have a long-term facility in our boundaries although we could come in contact with a person who needs assistance.

Child Abuse - 331

331.7.1 Interviews. Sgt. Geeting reminded us that per the District Attorney's office Kid's First is the recommended interview location for children. UOPD Officer's to utilize the preferred request and we want to be sure this is being pushed out to training so that all are aware and trained.

Question: should this language be added to policy?

Kevin Reed would like to look at this one before the final sign off.

Electronic Mail - 212

The question by Kevin Reed is why we even have this policy. Campus already has a policy. Ken Kato suggested that if we keep this policy we should note the items that are specific to our department.

We will table this one until we switch to the uoregon.edu email, which is coming!

Missing Persons - 333

There were no noted changes to this policy

Temporary Custody of Juveniles - 325

All accepted recommended changes, which were very few and did not change the policy.
