

UOPD - DAILY CRIME LOG

- UOPD maintains a Daily Crime Log of all crimes reported on campus properties within the last 60 days.
- The log is provided for the public and is updated as crimes are reported. Prior dates are available upon request.
- Crimes are in chronological order. The most recent crimes are at the bottom of the list.
- UOPD assigns a case number for all reportable activities, both criminal and non-criminal. Only case numbers generated for criminal activity are listed in the crime log.
- Case numbers:
 - may be issued by UOPD or Eugene Police Department (case # indicated as "EPD")
 - N/A indicates judicial referrals, required reporter or Campus Security Authority report
 - a six digit number indicates an incident with no case number or an incident reported by a campus security authority.

Note: Incidents with a case number of "N/A" or a six digit number may involve information received from university administrators who are defined as "campus security authorities."¹ In these incidents, the victim did not file an official police report and therefore it is not always possible to provide information regarding the five areas typically covered in the crime log (Nature/Classification, Case #, Date Reported, Date/Time Occurred, General Location, Disposition).
